Special Events . . . Fair Day

From the fair in October to the Senior Prom in May, our school year is filled with many special events.

Saving money, finding a date, meeting friends, getting lost, battling traffic, and wondering if you're going to get a good parking space were all part of the 1980 Fairfield County Fair. During the week of October 8, thousands of students congregated to enjoy the traditional festivities. After the Show of Bands early Wednesday morning, everyone shuffled off to their specific areas of interest. Some chose sharpening their skills at darts, while others munched down on cotton candy and candy apples. The braver ones ventured a ticket on the Himalaya, while for the more timid the Arts and Crafts and Agriculture Buildings offered a safer yet still exciting atmosphere. Nothing concluded the day better than reflecting the day's highlights from top of Mt. Pleasant.

1. Allison and Tony, hoping the ride is worth the wait. 2. Admit it, Mike, you were left behind! 3. "Hey, anybody have any quarters?" 4. Dennis takes a good aim. 5. Keith tries to add to his collection of goodies. 6. That's just your speed, Jeff! 7. Chug-a-lug, Andy!

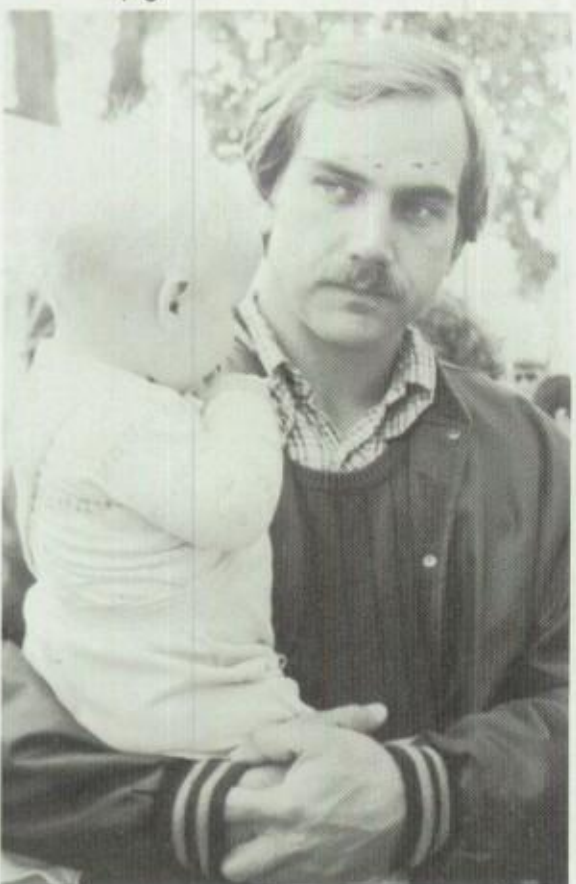

1. Sarah Urling's quarterhorse, Judy, awaits judging. 2. Mr. Cutler looks on with the Band of Gold. 3. "I thought I saw them here somewhere." 4. Mark Ambuehl grooms his steer for competition. 5. Mr. Conrad's daughter enjoys her first fair.

Homecoming

October 10 brought the colorful festivities of Homecoming to L.H.S. Thursday's bonfire gave everyone a chance to get rowdy for Friday's game and to see the Homecoming Queen and Court. Friday was the big day for football fans and float-builders. Phil Weaver ran 85 yards for a touchdown and the Sophomores placed first in the float competition followed by the Seniors. The weekend ended Saturday night at the dance with the theme "Fall Fantasy."

Junior Prom — "We've Got Tonight"

Over the year, the Junior class, through many various money raising projects, earned enough to put on a terrific prom.

On May 2, 1981, at 8:00 pm the junior class members and their dates danced to the sound of "Oktober", a great band. The cafeteria was decorated for a night of romance. The couples in attendance voted for their King, Queen and court.

The sponsors of the dance were:

Mt. Pleasant Green House, Maugers Seafood Restaurant, and Stewart Bros. Alban Co. The Junior Class wishes to thank those businesses and everyone who helped to make their prom a success.

GAA Dance "Winter Reflections"

The second major dance of the school year and the only winter dance was sponsored by GAA. It was a cold crisp January night. The cafeteria was decorated with crepe paper, balloons and stars. All seemed to fit the theme "Winter Reflections." The queen and her court were crowned that night and the band was very good. Our hats go off to the girls of GAA it was a great evening.

Blue Grass Dance

The Lancaster High School Student Council in compliance with the up and coming rage of Blue Grass Music, sponsored a Blue Grass dance for the Lan-

caster High School student body. Dressed in boots, jeans, western shirts, vests and cowboy hats, the faculty and students came to clap, stomp and

dance to the fantastic sounds of the *Pleasant Mountain Boys*. It was considered one of the most successful dances of the year.

On May 16th the LHS cafeteria was transformed into a "Southern Night" — the theme for the 1981 Senior Class Prom. This year's Senior Class went all out for their dance. The Alligators provided a different sound that kept everyone moving. The class spent weeks on decorations that gave the cafeteria the look of an old Southern Plantation. It turned out to be a beautiful evening of dining and dancing.

The LHS Drama Club presented the 3-act play "The Night of January 16th" on November 15, 1980. The play was a comedy-drama about the murder trial of Bjorn Faulkner. It was up to a jury, chosen from the audience, to deliver a verdict. During the trial, many alibis were confirmed or proven wrong. The guilty party changed from the accused Karen Andre to Larry Regan to John Graham Whitfield. The final verdict was "Not guilty," which left the murderer still a mystery.

Waiting for the Bus

On January 24, 1981, LHS Drama Club proudly presented A Night of One Act Plays. The two plays were directed by people who were directing for the first time and the contrasting plays provided a learning experience for everyone involved.

"Waiting for the Bus," written by Ramon Delgado and directed by Mr. Tom Crumley, starred Brian Whitehead, Julia Donham, and Loree Thomas.

The play was about an elderly couple humoring themselves as they grow older. The drama showed the characters as they played their games to cope with life and finally accepted reality.

"Adaptation," by Elaine May, was directed by Julie Searls and Jim Cushing. The play starred Scott Gottliebson, Kris Kuechler, Jim Cushing and Dave Nedrow.

This comedy was the story of one man's life as if he were playing a game. He spent his life looking for the Security square, collecting maturity points and receiving super bonus cards. He dies before reaching his ultimate goal, but along the way he has hilarious experiences.

Spaghetti Dinner

The First major money raising project for the Senior class comes in the fall with the spaghetti dinner. The Senior class worked very hard to make the dinner a success. Everything was prepared by the class: the spaghetti, the bread, the salad bar and the desserts. The community purchased tickets from the class members or at the

door. While enjoying an excellent dinner in a dim-lit cafeteria, decorated with checkered table cloths and candles, and being served by the class members, the community was also entertained by the members of the class. Even though the spaghetti dinner is a traditional project for each senior class, this class did an outstanding job. The money that was earned was the first step to a successful year for the 1981 Senior Class.

Senior Roll Sale

Another Tradition!!! Year after year the senior class takes on the challenge of trying to break the previous class record on the roll sale. The class goes out and takes orders. Then the day

comes when a truck pulls in filled with thousands of dozens of rolls. The Parent League helps to bag and line the gym with rows and rows of rolls. The

class members pick up their orders, deliver them, and collect the money. They hope that this will give them a successful all-night party.

Pizza Eating Contest

A first for Lancaster High!!! The Varsity L sponsored a Pizza Eating Contest. The contestants came to the school cafeteria to prove their eating capacity.

Pizza after pizza disappeared when finally only two contestants were left. The winning bite went to teacher Terri Belli and a close second to Barry

Walker. Student and faculty turned out to watch this amazing event. It was a successful venture for Varsity L.

Adds to the Spirit

Throughout the year there are many events that do not get top-billing, but do involve many students and do contribute to the school spirit.

The Senior Civics-Econ teachers brought in Peg Smith from the League of Women Voters to talk about and demonstrate the voting process.

Every year the National Red Cross comes to LHS and turns the auditorium into a mini-blood bank. This year, from students and faculty, they collected about 80 pints.

Through the LHS physical education dept., Miss George and Mr. Bozman took interested students to the Echo Hills Ski Lodge for five weeks of lessons and fun. It's slowly becoming a popular sport in Lancaster.

In February the Sophomore class sponsored a valentine dance. Hearts covered the cafeteria and the band was said to be good.

The 26th North Carolina Light Infantry — experts on the Civil War — came to the American History classes. They also entertained the crowd at one of our football games.

Intermural sports are popular at LHS. But none were as popular as IBA. This year's winners were the Reid-jects.

Assemblies are rare at LHS but this time the Administration out did themselves. They brought to our stage the well known mime, Rayund Klekut. Everyone was amazed by his grace and precision. He gave a superb performance.

Graduation — 1981

The Class of 1981 received their diplomas at Commencement/Baccalaureate Services held at Fulton Field on the evening of May 31. U.S. Congressman Clarence Miller came not only as Commencement speaker but also as the proud grandfather of Senior Amy Miller. The culmination of 12 years' work ends here today with this diploma. It's now time to move on!

SPORTS

O u t s t a n d i n g A t h l e t e s

To recognize outstanding performance in the field of athletic competition — this section is dedicated to those individuals who have been recommended by the coaching staff of LHS as "winners" in their individual areas of competition. To train, to compete, to do the best one can — these are the **GOLDEN GALES!**

Most Valuable Player and Captain of the 1980-81 volleyball team, Senior **Jean Mallory** had to give up some of her weekends to train. Through strong parental support and strong support from coaches, Jean hopes to play ball in college. She was also a member of the softball team in the spring. To relax Jean listens to music and spends time with friends. The one thing she will miss is all the friends she made at LHS.

Outstanding athlete in Girls Basketball and Track, Senior **Molly Hoffman** is glad she got through the season without serious injury or illness. After training 12 hours a week Molly relaxes by running and watching other teams play. As far as future plans, she wants to work for a year and then attend college and hopefully play basketball.

No one can doubt **Susan Hayes'** athletic potential in whatever sport she attempts, but "because tennis is more ladylike than football," this is her area of excellence. Having to give up time at school and training 30 hours a week, Susan has worked hard to maintain her game. When it comes time to relax, she enjoys reading, jogging, and listening to mellow music. On a four year scholarship to Nebraska, Susan hopes to study veterinary medicine.

With reaching the state finals in 1981 as a career highpoint, **Larry Dilley** completed an extraordinary high school wrestling career. Sacrificing 18 hours per week for practice and a few of his favorite foods, he feels he has acquired a sense of aggressiveness and discipline. College is in Larry's near future and he eventually wants to become a wrestling coach, if his ideal career of Big Time Wrestling is unsuccessful.

Nominated for the second year in tennis is Senior **Andy Vance**, playing first singles and finishing 4th in the State this year. Andy devotes approximately 20 hours a week to tennis during the season, often playing at the Wickertree Club in Columbus. He will attend Indiana Univ. in the fall and hopes to play tennis on the collegiate level. Also a member of the golf team, Andy states, "Tennis is an individual sport. It develops self-pride and self-confidence. You win or lose yourself — you can't blame someone else."

"I was very quiet — sports got me involved, gave me more friends." Even though **Allan Anderson** plays football, baseball has always been his favorite since Little League days. This year was an excellent one on the mound. With a pitching record of 9-2 and a batting ave. of .342, he was named COL M.V.P. Allan was pleased with the season but has "undescrivable feelings" about the Regional game. But for Allan there will be a next year.

The 1980-81 Scholar Athletes of the Year were **Clark Haley** and **Jennifer Hansel**. The LHS Booster Club presents the award to seniors based on athletic ability, scholarship, and school service. The recipients are voted on by the school's head coaches.

"Sports has helped me to be dedicated in other areas," states **Andrea Farnick**, three-year veteran of Field Hockey. Playing center halfback, she likes the teamwork involved as well as the game itself. She started playing in N. Jersey in the Parks program, and also enjoys swimming and track. Art is a favorite of Andrea, who will attend Cornell next year to major in Fine Arts and to play field hockey.

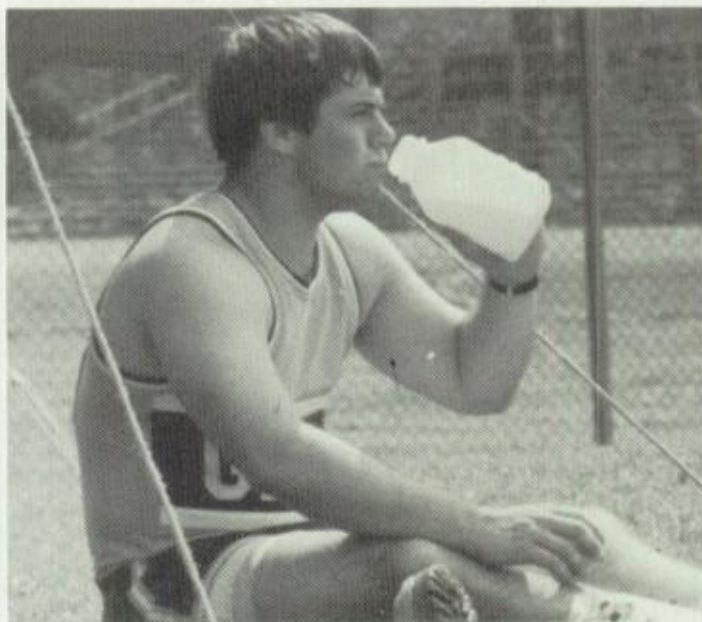

"I'd like to teach and coach football. I had the opportunity to coach PeeWee wrestling and found that there is a difference in playing a sport and teaching a sport. I enjoyed it." The highpoint in defensive tackle **Dave Tenison's** football career was the weekend he promised his visiting grandfather that he would sack the quarterback and did! Dave feels sports have helped him to compete in life. He will attend W. Va. Wesleyan.

Playing in the North-South All Star Game was the highpoint in the basketball career of **Alan Wentz**. "The competitiveness, learning to be a good loser, and earning a scholarship" are positive results of sports according to Alan. He will attend Wooster College to major in business. Alan was also on the track team this year participating in the shuttle hurdles, long jump, and 440 relay. Boating, playing the guitar, and listening to music are some of the hobbies of this athlete.

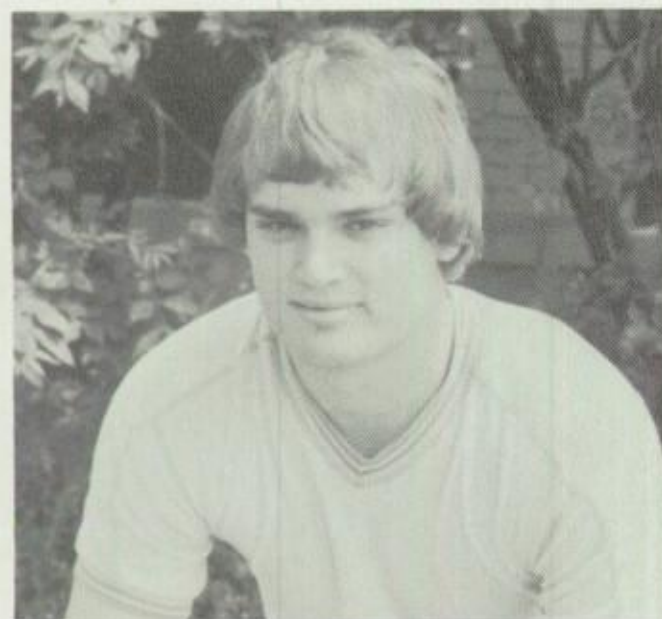

Following a family tradition, **Tom Lewis** chose to dedicate his efforts to swimming. Rising daily at 4:30 a.m., Tom travelled to Newark for practice. In college, where he plans on majoring in marketing, he hopes to persist in training to allow him to compete intercollegiately. The highpoint of Tom's swimming career was making the finals in the state meet in 1981. Among Tom's hopes for the future — he wishes that one day LHS will have its own pool.

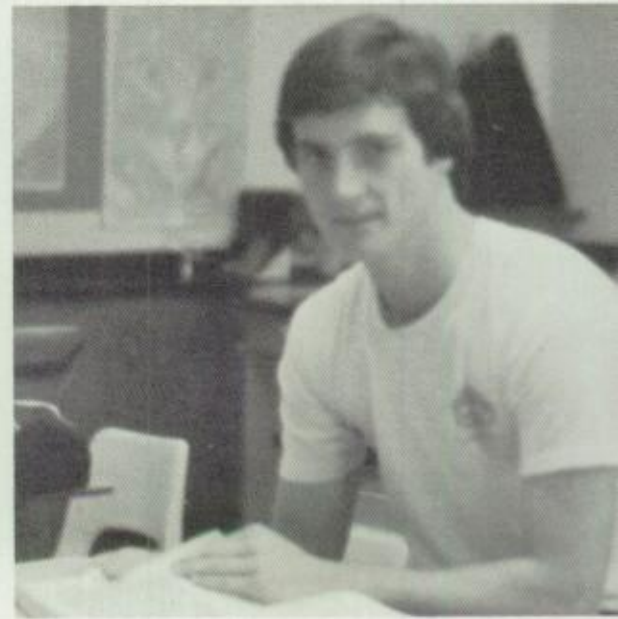

Adding to **Clark Haley's** strong emotional and physical drive was the strong support from his parents and coaches. Training 15 hours a week didn't leave Clark much time for other things, however it did give him "the most valuable award ever," — All American recognition. Clark was State AAA Cross Country Champ and State AAU Champion. Clark chose track with the hope of getting a scholarship to college where he hopes to study Finance and Banking. Clark also finished 1st in the State Track Meet in the 1600 meter race.

Junior **Barry Walker** is no slouch when it comes to athletics. He holds 2 State Records, one in the shot and one in the discus, a National Record in the shot, and was named All American as a sophomore. Barry feels that "sports have given me a great deal of self-discipline, the ability to handle just about any problem." Next year Barry hopes to help the team win the State Track Meet.

Sophomore **Rod Ball** feels that "a sport like golf puts a lot more pressure on the individual — it's more of a challenge." He has been playing golf for 5 years and in the summer plays over 200 holes a week. Rod was a member of the Stanberry team and has 2 more years to play for Lancaster. Right now Rod plans to go to college, but it's a little early to decide what he wants to study.

"The high point of my football career was a winning season and the low point was losing to Upper Arlington." Working hard and training 15 hours a week, Senior **Dave Miller** had to sacrifice a summer job to maintain his excellence in football. He enjoys listening to music and meeting different kinds of people. Dave plans on attending Princeton University.

Milt Taylor performed outstandingly in soccer with 20 hours practice a week, causing him minimum sacrifices, namely his schoolwork which "suffered a little." Milt has been quite a hero in his time, once scoring a goal in the last minute of the game to win the tournament and another time making three goals in the opening game. Sportsmanship and discipline are the personal benefits Milt has gained from soccer "It's a unique sport that's very physical, but very strategic."

Swingers Finish Winning Season

Refining their skills on the green, the 1980 L.H.S. golf team teed off to a successful season under the leadership of first-year coach, Mr. Cowles. Despite the fact that there were no returning starters, the team was successful in achieving their goals of sharpening skills and improving scores in the process of gaining valuable varsity experience.

The team's morale was highly beneficial to catching a second place position in the Sectional, as well as receiving exceptional scores at Granville. Placing 13th in the District, the Gale golfers finished the season with a commendable win-loss scores of 10-8 overall and 6-3 in the Central Ohio League in which they captured 3rd place. Todd Leach received the trophy for the All-Ohio Team.

When asked his attitude towards the season, Mr. Cowles replied that it was a very enjoyable and encouraging experience.

Todd leads the Gales to Sectional play.

Lady Stickers Develop Teamwork

The 1980 Field Hockey season saw nine novices to the sport grow into experienced players with the help of seven returnees and the patient dedication of fourth year coach Kathy Foss. Her main objective this year was to establish healthy teamwork. As stated by Miss Foss, "When you begin the season with nine inexperienced players, the first goal is to teach fundamental skills. Once these skills have been achieved, the next goal is to develop teamwork. When there are eleven players on a team, they must work together, not as individuals." Once these gals put their efforts together, they managed a victory over Worthington in a tough, grueling game. This was the highpoint of the season, while the lowpoint was the final record of 3-7.

The girls completed a 1-1 dual-meet season, became runners-up in the district, and were awarded a chance to run in the finals.

With Missy Dittmar, Marianne Valentine, Jenny Reall, and the help of new talent, the Gales managed to place 11th in the state. Coach Reall was asked of the attitude and he simply responded, "Spirit! . . . these girls have it! This is the best season for the girls since 1965!"

Coming out of a phenomenal year, with the state championship behind them, Coach Reall asked himself, "What can we possibly accomplish that could equal last year's season? Our goal was simply to win the league, the districts and a second consecutive state championship." With Clark Haley, Carl DeVault, Tom Stickel and the younger talent, the goal seemed within the Gales' grasp. Coach Reall recalls during the season, "The spirit was high, the motivation was there, and eagerness for the championship yearned on." The most challenging meet came against Worthington, a 7th place finalist last year, which in defeating, could assure the Gales a fourth consecutive dual-meet season. Defeating them 26-30, and continuing to attain win after win during the season, the Gales accomplished a fourth consecutive 35-0 dual-meet season, and district championship. Through the season, Clark Haley set new records for both the Gales Aboretum and Rising Mountain courses, among other various course records with the times of 12:02 and 11:01 respectively. He also finished first in the State Meet.

Three Netters Go to State

The 1980 Lancaster Girls Tennis Team's progressively spirited attitude sent three of the five returning starters in- to state competition. Susan Hayes, Jennifer Hansel and Cathy Stockwell placed in the 1st team All-District. Fourth year coach Lise Rickett expressed her feelings of the season as "very interesting" in working with the various personalities and trying to unify the girls into a team working for a common goal. Seniors planning to further their plans in tennis include Susan Hayes, the Most Valuable Player, and Jennifer Hansel. The most improved player was Tracey Barnes.

Spikers Go Through Rebuilding Year

The Gale Spikers at the beginning of the season were young, inexperienced, small in number but big in heart. After compiling a successful 14-7 record from the previous season, the team returned with just two starters — Most Improved Player, Beth McCune, and Jean Mallory, later to become the team's captain. The girls went through the season falling to many a defeat, but undoubtedly gained maturity and ever-needed experience in a rebuilding year.

Among well-earned awards were Most Valuable Player — Jean Mallory; Most Improved — Karen Gallimore; Best Offensive — Cheryl Elliott; Best Defensive — Beth McCune.

Coach Karen George commented on the team's season: "Being an athlete teaches a person many things — Cooperation, self discipline, to make friends, competitiveness, and always fun. With these traits and the returning players we look forward to a successful 1981-82 season."

Soccer came to Lancaster in 1967 through the efforts of Coach Curt George. This year, with excellent attitude and play, the Gales managed to move into the Sectionals and towards the ever-desirable COSL — Central Ohio Soccer League Championship.

Five starters from last year came back to begin a season with goals set high and the championship in mind. High points came in the defeats of St. Charles, Grove City, and Pickerington. The most challenging was against Pickerington in Sectional play.

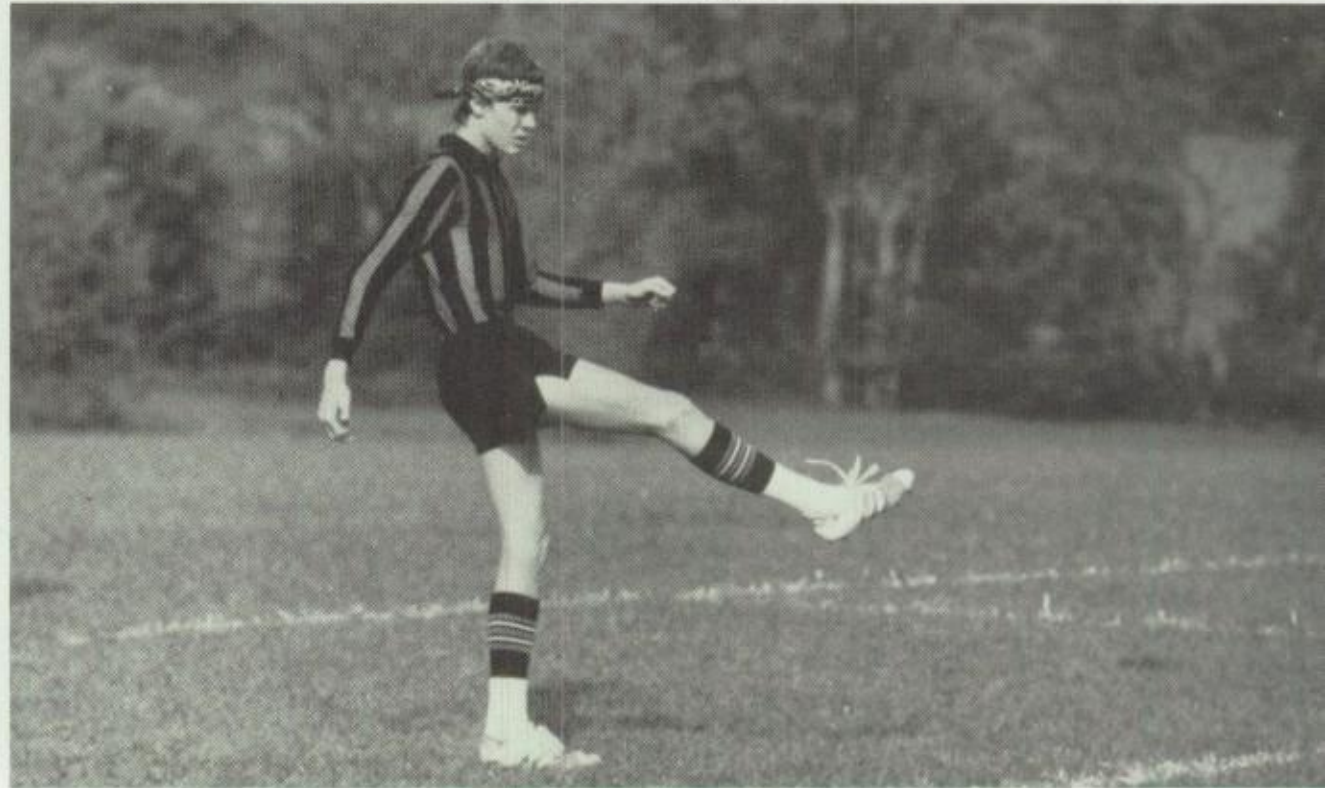

Coach George stated, "The team was very happy about having a winning season, but they were not satisfied with the goals achieved. The team's spirit was good. They did everything that was asked of them, and even more. This was the best season in nine years of coaching, considering the percentage of total games played." Upon Coach George's feelings, he commented, "I felt very good about the season and I am looking forward to a better one next year."

Outstanding players included Milt Taylot and Eric Hoch, who made first team; and Mike Liedell and Dan Bainter who made second team COSL.

Redman Guides Football to 3rd Place

The 1980 Golden Gales fashioned a 7-3 overall and a 3-2 slate in the C.O.L. Gales' losses were to Upper Arlington and Newark. Both teams finished in the Ohio AAA Top Ten. The third place finish, up two slots from the 1979 season, included a 14-0 shutout of Zanesville at the Blue Devil field, and a thrilling come-from-behind 12-7 conquest of Grove City for Homecoming. The Gales pounded Marietta 21-6 before a large Parents' Night crowd to close out the season with the seventeenth best record in the school's 75 years of playing varsity football.

The Gale offense, returning 4 starters from the 1979 season, ran up 44 points in the season opener versus Westland, helping avenge an opening game setback in 1979. Following a 37-0 shutout of Athens, the defense, with 5 returning starters, played superbly giv-

ing a second consecutive shutout against Groveport 9-0. This win avenged a 27-14 pasting at the hands of the Cruisers in 1979. The Gales three-game winning streak was snapped by a powerful Cincinnati St. Xavier team 17-7, but Lancaster closed out its pre-COL schedule with a 56-0 pasting of overmatched Columbus St. Charles.

The Gales averaged 30 points a game before their home crowd at Fulton Field and surrendered only 6.9 while season averages were 21 points a game for Lancaster versus their opponents. Tom Redman, in his 22nd year which includes over 100 victories as head coach, was pleased with the Golden Gales improvement over the 1979 season. Team spirit was excellent as the players molded themselves into a cohesive Gales squad. The defense was commented on throughout the league for its balance. Thanks to a solid weight-lifting program, Lancaster fielded an offense and defense which was dependable at every position. At the post season banquet, November 18, seniors Phil Weaver, Larry Dilley, Ken Sprague and Dave Tennison garnered outstanding defensive awards, while Dave Miller and Scott Smith snared special Offensive honors. Redman was assisted in his coaching duties by Tom Oyer, John Starnier, Jack Miller, Jim Posey, Ed Keating, Paul Petrella, and Dave Stockum.

Reserves COL Champs

The Golden Gales Reserves fashioned an 8-0 state and Reserve C.O.L. championship in 1980. Victories over unbeaten Upper Arlington (12-6) and over once-beaten Newark (26-0) highlighted their season. Many young men excelled on the Reserve Squad and should be ready to step into vacated Varsity positions during the 1981 football season.

In June, the LHS football cheerleaders attended camp at Denison University where they learned various chants, cheers, and routines. They also brought home an award for the most dedicated squad.

Besides the games the girls kept busy with various activities such as pep rallies and decorating lockers. Together they worked to get new uniforms by working at the opening of State Savings and Loan, selling candles and candy.

They also sponsored SPIRIT WEEK before home games, cheerleading clinics for 1st-6th grade boys and girls, and made football name tags for Parents Night. Their constant motivated attitudes qualified them for National Competition, but they did not compete.

GALES V-I-C-T

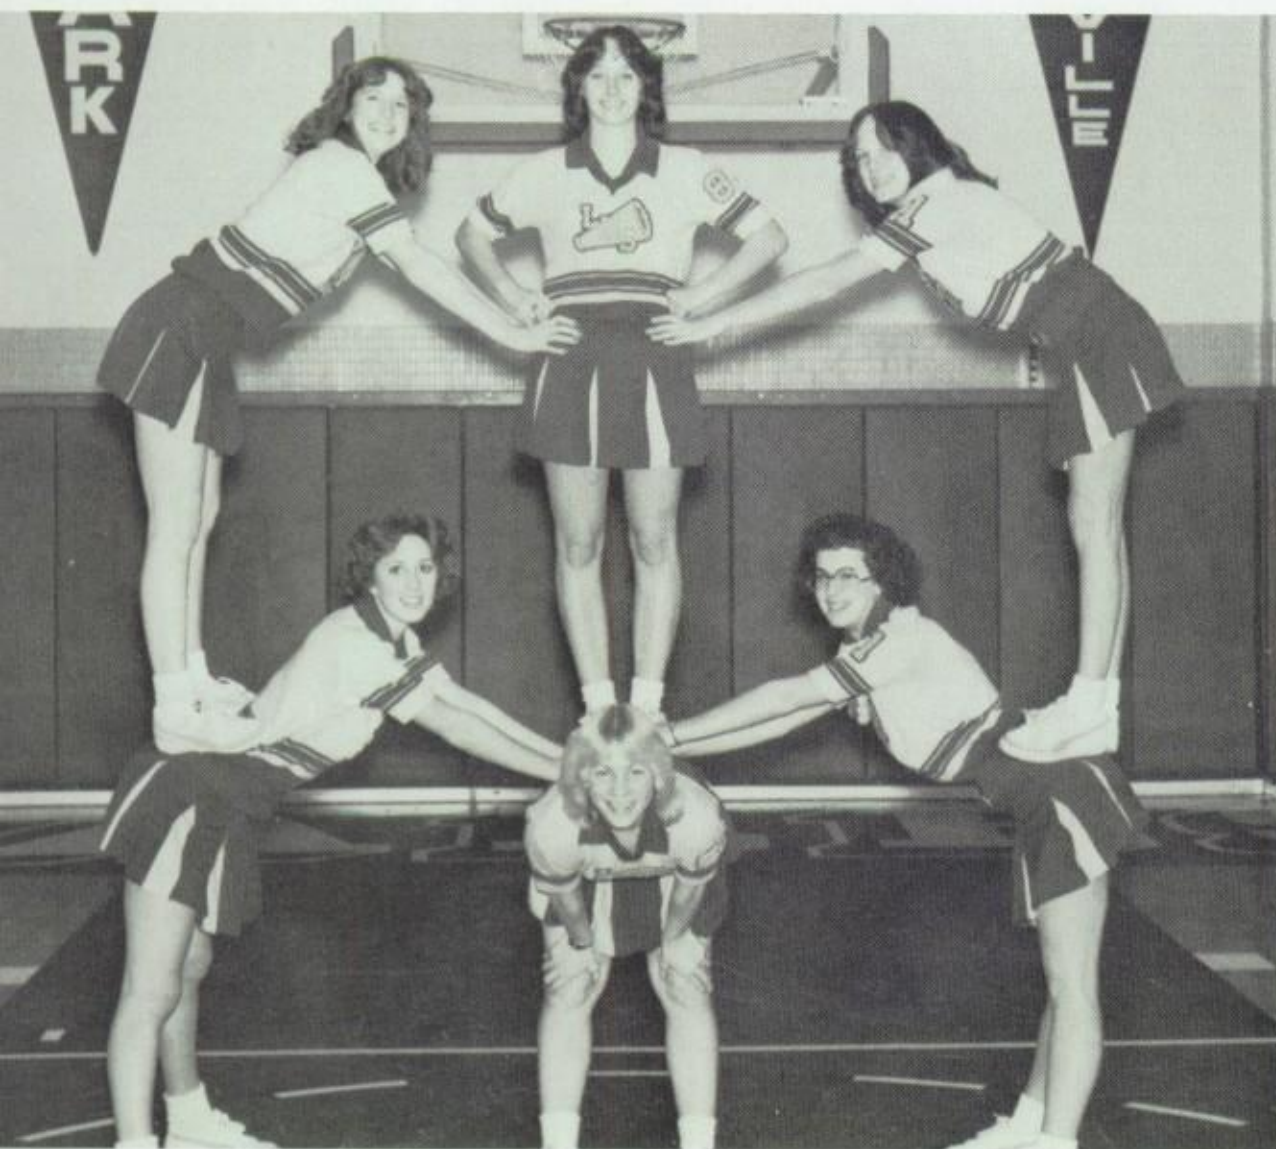

Blufton College was the site of camp for the Golden Gales Basketball Cheerleaders last summer, where the squad won an excellent and three superior ribbons for their efforts. The season was devoted to practices, as well as sponsoring a pep rally for the Upper Arlington game to culminate Spirit Week. Signs in the halls made by the cheerleaders showed the team the school was behind them. The girls sold candy bars to pay for their letters and finished the season by going to the tournament in Athens.

Cagers Runners-Up in District

Coach Carole Augustine and six returning Varsity letter winners started the 1980-81 season with a bit of experience and six new players. Each girl had to contribute her own special talents for the tough season ahead. Rebounding at both ends and exploiting the Fast Break helped the girls finish their regular season with a record of 12-8. After winning the Sectionals in tournament play, the girl Cagers moved on to the Districts with a win over Wintersville. The girls basketball season ended in overtime at the District finals game with a loss of two points to New Philadelphia. Coach Augustine said, "The girls worked hard to achieve a team concept, and their efforts were well rewarded by finishing second in the District."

The 1980-81 Golden Gales displayed an attitude reflecting enthusiasm and intensity. Lancaster fans were treated to action-packed basketball which included upsets over the 14th ranked Newark Wildcats and the 18th ranked Zanesville Blue Devils.

Coach Reid at his usual.

Although the Gales ended up fourth in the C.O.L., their record was deceptive. The young Gales continually enhanced their reputation of playing their "best against the best." This competitiveness will be solidified by the return of starters Mike Avant, Chip Lantz, and Kerry Reno along with strong relief performances of Max Barr, Todd Ebbrecht, Bill Moler, and Kent Swinehart. Hopefully, next year's bench will demonstrate the same enthusiastic support for their teammates as did the 1980-81 Gales.

The young Gales were led by seniors Mike Dickson, Dave Miller, Mickey Echard and Alan Wentz. Alan earned Most Valuable Player, 1st Team District II, All-C.O.L., Southeastern District, Clair Bee Award recipient, and was in the North/South Cage classic. Mickey Echard was voted Most Improved Player of 1980-81 and leader in FG%. Kerry Reno was team assist leader with 78, Chip Lantz was leading rebounder with 87 and Todd Ebbrecht best FT shooter with 74%.

Coach Vanaman believes his Reserve Basketball team reached its goals for the 1980-81 season. The 10-10 squad showed advancement steadily through the season while building competitive spirit and increasing skill. A vital element in sports, a good attitude, was evident throughout the year on the Gales team. Mr. Vanaman adds, "This was one of the most exciting seasons that I have ever had as a basketball coach."

Grapplers Finish 9-2 Season

The 1980-81 edition of LHS wrestling completed an outstanding season under 1st year head Coach, Paul Petrella. Besides finishing 9-2 in Dual meets, the grapplers were champions of the Sheridan Invitational, and runners up in the C.O.L. and District tournaments. The high points of the season were the team's first place finish in the Southeastern Sectional and the 6th place finish of Larry Dilley at the State Wrestling Meet.

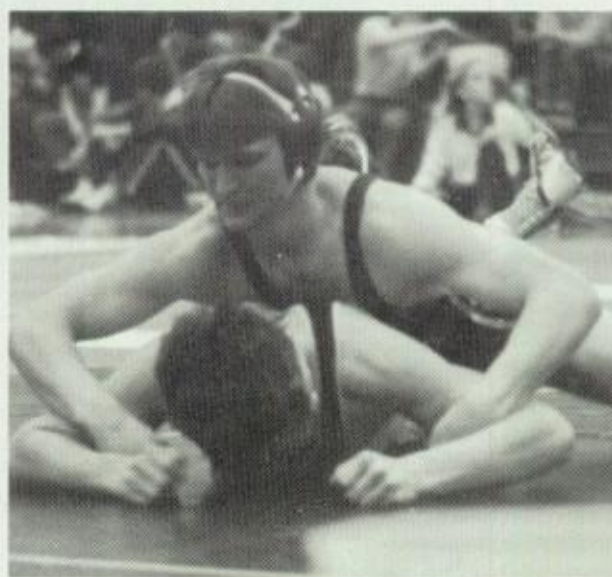

Despite starting six sophomores, the Gales were strong with their Sectional win. (Their 1st since 1972) In the process, seven LHS matmen qualified for the District meet with Doug Boone (105), Larry Dilley (138), Doug Ogilvie (155), and Ron Rosser (Hwt) claiming individual sectional championships.

If this is any indication of what is to come, the LHS wrestling team will be grappling with future successes. With a fine group of eight lettermen returning, the 1981-82 Gale wrestling team looks promising. Coach Petrella won't commit himself to predictions for next year's team but states, "It will take quite a bit of hard

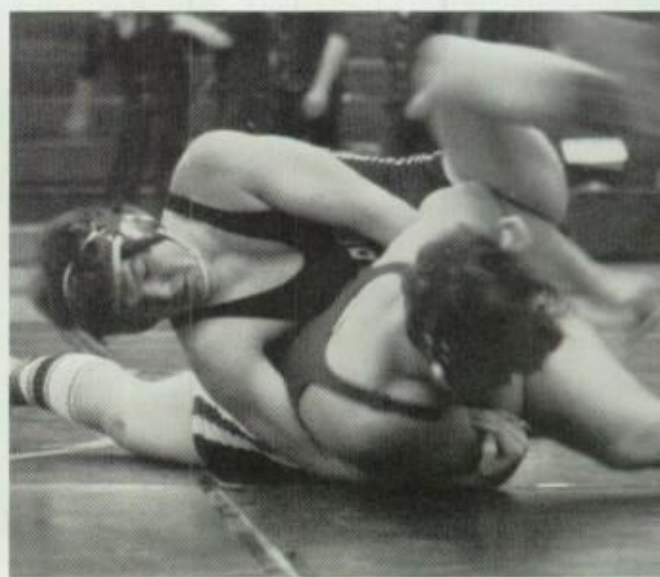

work in the off season to develop the skills needed to be successful next year. The key to success in wrestling is to have a genuine enthusiasm about the sport and approach it as a great opportunity to improve yourself."

Swimmers Qualify 6 for State

First year coach, John Starner, assisted by Brent Bowen, did remarkably well with the swim team this season by producing the most state qualifiers ever: Tom Lewis, Tim Ledman, Bruce Hajost, Keith Sidwell and Christy Wagner. Other high points of the season were besting Newark and Marietta in the C.O.L. meet after losing to Marietta during the season and only tying Newark. They also received 2nd place in the C.O.L. meet.

Coach Starner stated, "The combined team of boys and girls was good for their spirit and attitude that showed improvement as the season progressed."

Even though the team only finished with 3rd place in the Districts, Starner says that the Districts and the C.O.L. were the most challenging of the season.

Having eight returning starters from the previous year, the 1980-81 season proved to be satisfying with a closing record of 5-3-1.

Baseball — "Run With the Wolves or Soar With the Eagles?"

During pre-season tryouts as the team was running their required mile, a bystander might hear Coach Bozman yell, "You can't run with the wolves at night and expect to soar with the eagles the next day!!" All of the hard work, training and discipline seemed to pay off for the LHS Baseball team. With a tough season ahead of them, they took one game at a time and then the challenge — a must-win double header at home against Newark to clinch the COL title. Then the Sectional tournament and the District — the team was on a winning roll. The "snake-eyes" at the Regionals — Lancaster lost to Walnut Ridge. The season ended with a 22-4 record, the COL, Sectional, and District Championships, and they improved on all 1980 statistics. Coach Tom White feels that the team had a great season because of the "excellent team spirit."

"My feelings," says Reserve

Coach Conrad, "about this season are unique because this is one of the hardest working groups that I have ever had. They went from questioning their ability to working hard to im-

prove and achieve their goals." Their goals were to learn the game of baseball, to have fun, and to win the COL Reserve title. All 3 were accomplished.

Girls' Track — Sectional Champs

A Banner Season!!! After several seasons of hard work, head coach Nancy Strickland and assistant coach Martha Beidler can say that their season was a great success. Says Coach Strickland, "Our goals were to have an unbeaten dual meet season and to repeat our Sectional Champs title and we accomplished both!" Many factors were responsible for the victorious season: the coaches were eager to get things started; there were 14 returning starters; and most importantly, the overall attitude of the team was positive and their spirit high.

At the end of the season Molly Hoffman was named most valuable player and the team collected the following trophies: Marietta Invitational Co-Champs, COL Runner-Up, Worthington Relays Runner-Up, Fairfield County Champs, Sectional Champs.

Sherry strides to lead the 880 relay on to another victory.

Again — the Gales Are AWESOME!

The 1981 Gales Track Team continued their domination of Ohio schools in the big Relays as well as dual meet events. Repeat victories in all major Relays except Mansfield, where they were runner up to Detroit Central, showed all other Ohio teams that Lancaster Athletes can win with class. The team ended the season by capturing the AAA runner up trophy. State Champs included Dave Johnson in the pole vault at 14' and Clark Haley won the 1600 m. in 4:14.1. Barry Walker finished second in the state in shot put at 62'6 $\frac{3}{4}$ ". This was the third year in a row that the Gales finished in the top 2 at the State Meet. Other victories of special note were:

Consecutive Victories

- 4th — C.O.L. Championship
- 3rd — Bellaire Relays (70 teams)
- 4th — Miami Relays
- 3rd — Cincinnati Princeton Relays
- 2nd Fulton Relays (Open Division)
- 18th — Sectional Championship
- 3rd — Central District Champs

Student Council Boosts School Spirit

Many new and different activities took place at LHS this year due to the efforts of the student council. The fabulous "Fall Fantasy" Homecoming dance and parade were a great way to begin the year. Carnations were sold on Valentines Day for everyone to give to their "sweeties" and a computer dating service was offered to those who were looking for one. "The Pleasant Mountain Boys" provided true bluegrass tunes for a knee slapping time in March. More than 400 students filled the cafeteria to dance and sing along; it was an evening enjoyed by all.

Intramurals Enjoyed in GAA

The purpose of GAA is to give girls a chance to become involved in athletics through the Intramural program. Beginning in early September, intramurals were held every Monday night at the high school, including activities such as softball, basketball, gymnastics, volleyball, and roller skating.

To support the general fund the girls sell mums every year at Homecoming and hold numerous candy sales. Proceeds from these activities allow the club to sponsor the Winter Dance each year held in December or January, and offer a scholarship to one Senior girl who shows outstanding achievement in academics, athletics, and extra-curricular activities.

In the spring of 1981, the GAA held a barn dance with extra funds collected throughout the year. Everyone enjoyed an evening western style with the music provided by Phoenix.

FCA Provides Fellowship

At meetings of the Fellowship of Christian Athletes members broke off into small groups to discuss personal problems and to share highlights of athletic experiences. They encouraged and prayed for one another to become better athletes by adhering to Christian principles in competition and on their own teams.

Members went to the Cinema to see the movie "Joni," decorated the cafeteria windows at Christmas, and ended the year with a party at Godfather's Pizza with swimming afterwards at the YMCA.

Outstanding Season for Forensics

Lancaster Forensics experienced its most successful season since receiving a National Forensic League Charter in 1979. Several members placed at various tournaments. To cap the season all nine District speakers qualified for the Ohio High School Speech League State Finals where the debate team placed Fourth in Four-Man Debate and Chuck Cook was tenth in

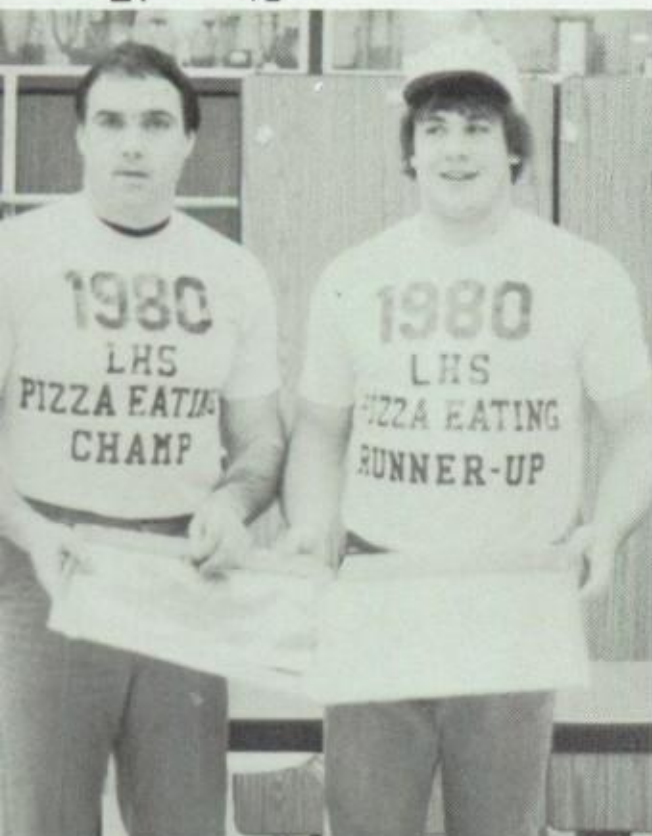

Lincoln-Douglas Debate.

At the May awards banquet top honors in each class went to Alan Cork, Kris Kuechler, and Chuck Cook. Alan Cork also received the Alumni Debate Award and the Parents Award for Outstanding Contribution. Marlee Sanford received the award for outstanding first year performance.

King's Island Highlight of Varsity

The "Varsity L" club spent much time with money making projects to fund the spring trip to King's Island. Notorious "terrible towels" sold quickly during the football season and candy bar sales were also held. A pizza eating contest created lots of fun for spectators and participants.

Club members assisted at baseball and football games by collecting money and ushering.

Interest High in Chess

The L.H.S. Scholastic Chess Club enjoyed a very successful year with interest so high that the club was able to field three teams for inter-scholastic competition for the first time in its history.

The "A" team, captained by President Steve Poling, broke even in match play against other schools 2½-2½ and finished third in its division.

The year ended with a scrimmage against Logan which the Gale chessmen won, and a successful defense of the school championship when they held off a determined faculty Rush. Trophies for accomplishments were won by Eric Jackson, Steve Poling, Tony Spangler, Dave Carroll, Jeanne Crook, and Kevin Yates.

In the Know Sharpens Minds

This year's In The Know team again competed in both the Columbus (Channel 10) and Zanesville (Channel 18) television programs. Although eliminated early in Columbus by a strong Franklin Heights team, they did well in Zanesville, advancing far into the tournament, including well played victories over New Lexington and Philo.

On the air performers this year were Pat Gordon, Chris Watts, Debbie Walston, David Ziels, and Steve Poling.

Over \$400 was collected for the American Cancer Society by the Key and Z Clubs. With the help of the Jr. Cosmetology class, they sold daffodils for two days. Aspiring Actors Involved in Drama Club

After a slow start, the Drama Club turned in a very productive year. The Dance Marathon held in October raised the money to support the 3-act play, "Night of January 16th." The next project for the club was an evening of One-Act plays. The plays were extremely well done and a great learning experience for everyone involved. The club went on many field

trips to various theatres which inspired members to continue to do excellent work in the field of Drama. The year was highlighted with a dessert banquet held at the R.J. Pitcher's Inn. Jim Cushing and Julie Searls received the "Service to Drama Club" award and all of the officers were given certificates from Mr. Buskirk.

American Field Service Hosts Foreign Student

▼3

A.F.S. Club is the local student chapter of AFS International, an organization which sponsors foreign study programs for high school students all over the world. The club, with the help of the Lancaster adult chapter, welcomes visiting foreign students and provides social and fund-raising activities for participating students. This year they sponsored a picnic, hiking and boating day at Geneva Hills, a party and a late show at the Cinema. They also hosted area foreign students who attended the annual AFS weekend. This summer they will have a going away party for Selvin, host a busload of traveling AFS students, and welcome the new LHS foreign students for the 1981-82 school year.

Selvin Gnanapragasan, 17, was the foreign student for this year. In order to qualify for foreign study, Selvin had to pass various tests and interviews. He was selected from a number of other candidates. Selvin has enjoyed visiting the U.S. and staying with the Dr. Payne family. He likes traveling, meeting people, and participating in sports (especially soccer and cricket). He says that he has met many friendly people here and learned a lot from our modern life style. Planning a career in engineering, Selvin is anxious to return home and begin college.

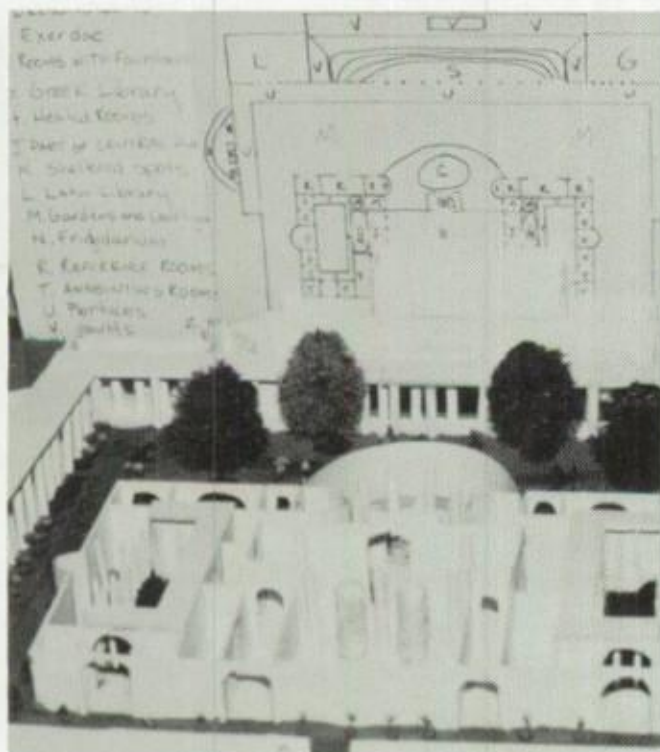

Latin Club Hosts Toga Party

The Latin Club gives those students who express an interest in the Classics a chance to be brought together in a social setting. This year's activities included a Halloween party where a costume contest took place, a cook-out at the spring picnic, singing Latin carols and pulling taffy at the Christmas party, and last but not least, the TOGA Party at the Roman Banquet. Bake sales helped support these activities. Latin students participated in the Romance '81 Language Fair and attended a field trip on Classics Day at Ohio State University.

Hispanic Culture Basis of Spanish Club Activities

Tacos, enchiladas, and fried ice cream were a few of the Mexican dishes enjoyed at Chi Chi's Restaurant in the fall. The annual Christmas party included Bingo in Spanish, singing Spanish carols, and breaking the traditional pinata. On March 19, the Ballet Folklórico of Mexico performed regional

folk dances to the great satisfaction of the audience. The year ended with a potluck in the spring. A former LHS student, Lynn Maurer, spoke about her travels and studies in Spain during her year abroad.

Members of Jr. HERO

Many kindergarten teachers in Lancaster are assisted by Jr. HERO members. The aides spend part of their day at LHS and the rest at an elementary school in a kindergarten class.

This year's club held a Current Stationery and a crystal ornament sale to support club activities. Each year an Employer-Employee Banquet is held jointly with the Sr. HERO Club to honor teachers and employers of the Club members.

D.E.C.A. Offers Social Activities and Jobs

The Distributive Education students are employed during the school by an approved employer. Several field trips to industries and retail establishments and educational institutions reinforced the program.

Fund raising activities included selling candy and fruit. Students collected canned goods before Christmas for

charity and held an Employee Banquet.

CAREER GROWTH

Once again the "Eye of the Gale" continued to cover the news around LHS. This year, under the guidance of Mrs. Benson, the staff published six issues. The quality of the paper improved greatly with the purchase of a camera. The camera's pictures made the paper much more appealing and enjoyable to read. Friday morning doughnut sales helped to raise money to pay the publishing bill. The staff was very happy with the productive year.

Yearbook . . . Yourbook

The making of a yearbook is a year-long process. It involves dedication, creativity, and careful thought on the part of the authors in all areas, such as graphics, layout, photography, and copy. In the last two years Mrs. Rainford and Miss Maravich have initiated many activities for the betterment of the *Mirage* and its staff. Captions and many special sections have been added to our book to make it more interesting. Members of the staff have had a goal to work toward with special awards such as Quill and Scroll and MV Staff Member given in the Spring at the annual dinner. Morale and publicity have also been boosted with a promotional slide show in the Fall and T-shirts for the staff bearing the *Mirage* logo. Although we work in an old restroom and none of our typewriters work, we are still a group who really care about the *Mirage* of LHS.

When the party is over, the game won, and the last "Good Luck" has been wished, a calm slowly creeps into the eyes of everyone. It is now that one must realize that we must move on, leaving everything behind. The hard work and all the fun times are history now. To capture these special moments and record them is the job of the *Mirage* staff. To allow one to re-live the victories and the defeats; to bring back the fond memories of the proms, road trips, the crazy Friday afternoons. To bring back the smiles, the tears, the laughter of the years we spent at LHS.

The members of the *Mirage* staff take on the responsibility of making time stand still so we can hold on to those special times for just a little while longer.

LHS Music Department

The Lancaster High School Music Department offers a great variety of performance groups and activities in which students may participate. There are three concert bands, marching band, three choirs, orchestra, two jazz ensembles, swing choir, girls chorus, percussion ensemble, and smaller performing groups. The music department also offers courses in music theory and independent music studies.

This year several groups have received outstanding recognition through their performances.

Cosmetology

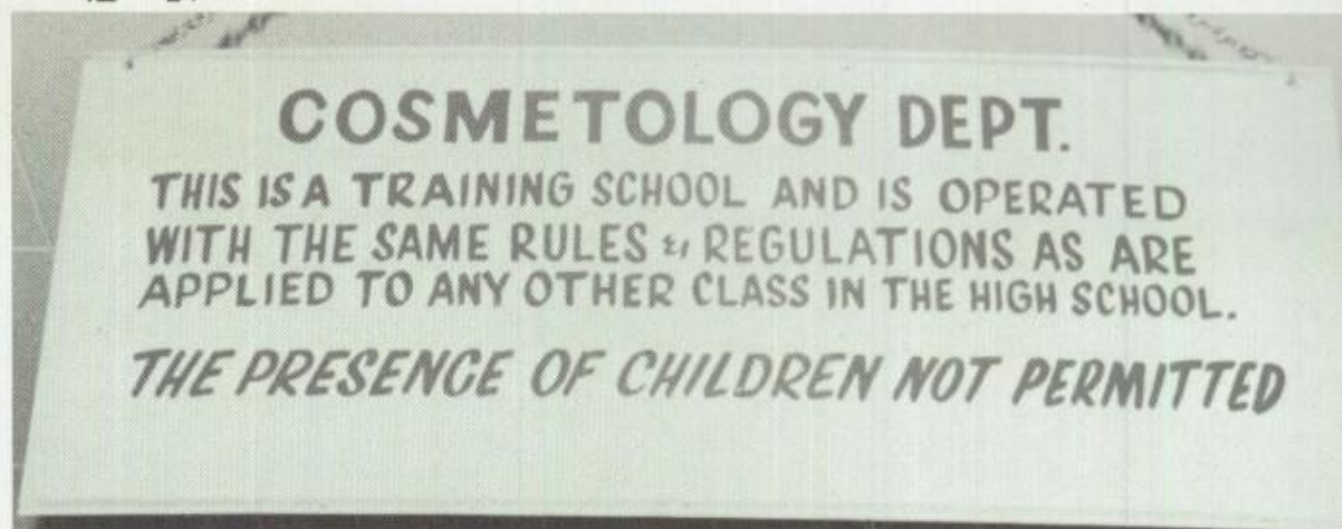

The cosmetology department gives students the necessary knowledge and practical experience for a career as a beautician. Community members may take advantage of the services provided by making an appointment in the vocational building.

Cosmetology instructors Mrs. Schaeffer and Mrs. Paxson also provide students with many extra activities. For the past 3 years students have participated in the Columbus Neil House style show. This year they also demonstrated their abilities at the Ohio State Fair in August of 1980. Shelly Ruff was a Jr. Fairboard member for two years and Lannette Kouger was selected South East Region Vica Queen.

Drafting

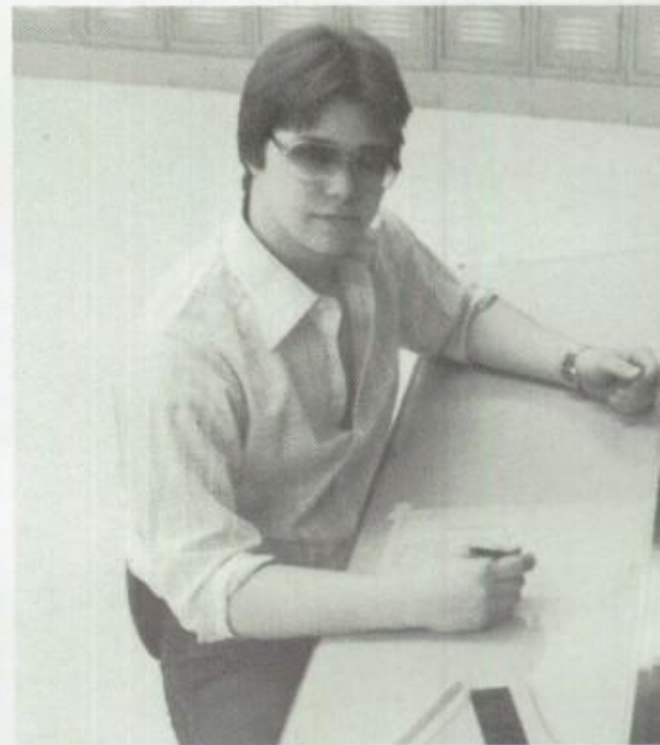

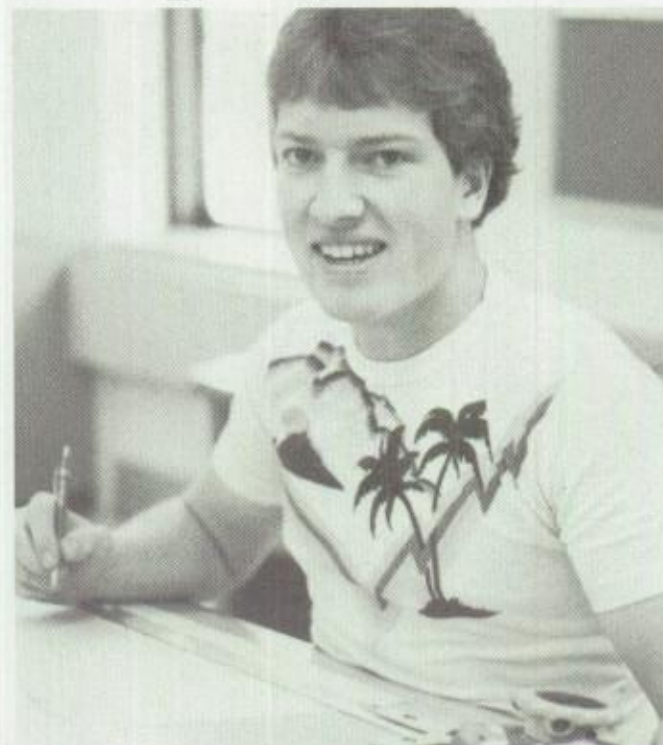

The Drafting course gives students the chance to sharpen their drafting skills through experience. It also offers an opportunity to make friends with fellow students through numerous social activities. Throughout the year the Senior students participated in a Bake Sale for Mr. Burgoon's family, painted rooms and the hallway on the third floor of the County Home, and a roast of Jr. and Sr. teachers, went to a Clipper's game, a softball game at Old Man's Cave, and presented Mr. Sherrick a plaque for Christmas.

The Junior students took a field trip to Mirror and participated in the annual Jr. Drafting-Jr. Electronics Softball Game.

Electronics

Under the guidance of Mr. Smith and Mr. Carr, hands were seldom idle in the Electronics I and II classes. Many areas were studied during the year including experimenting with test equipment and analyzing and performing repairs on TV's, tape recorders, radios, computers, and various electronic devices. Activities during the year were limited but vital to the students' learning. Jr. and Sr. students traveled to Franklin Univ., Ohio Institute of Technology, and Columbus Tech where they were exposed to various types of electronic communication and career activities in this field.

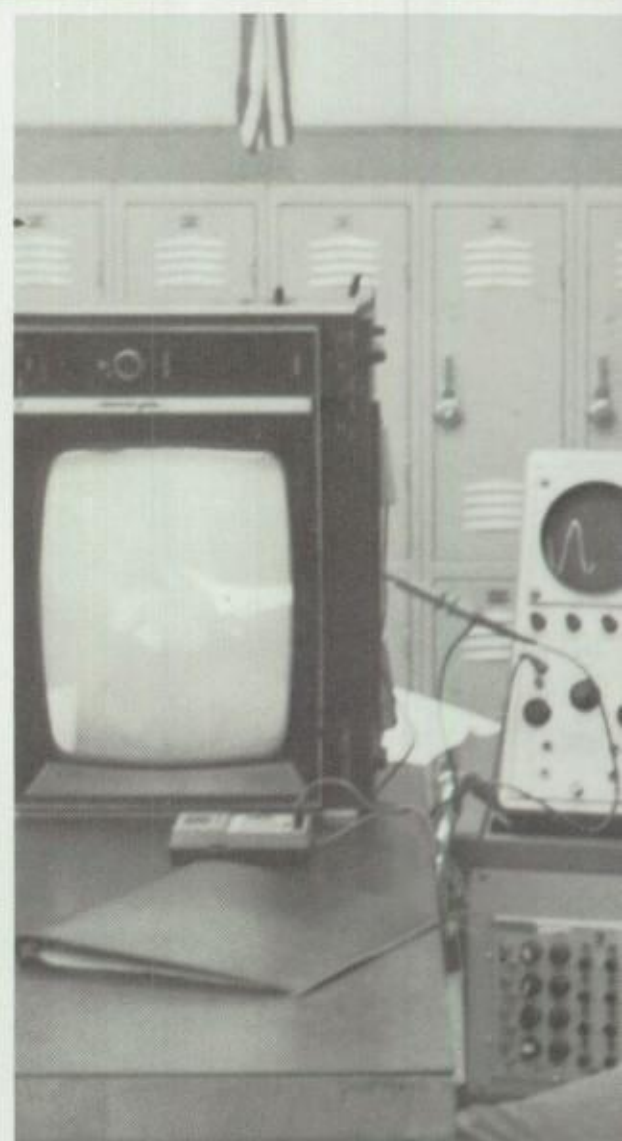

In May the Seniors took the annual examination to obtain their FCC license.

Earlier in the year both classes set up a display to allow the rest of the student body to become acquainted with the extent of their studies. The display included CB's, oscilloscopes, textbooks, and a closed circuit TV.

Auto Mechanics

Auto Mechanics provides students with the knowledge and ability to maintain an automobile in good condition. When seniors, students repair staff autos and may acquire a class-related job.

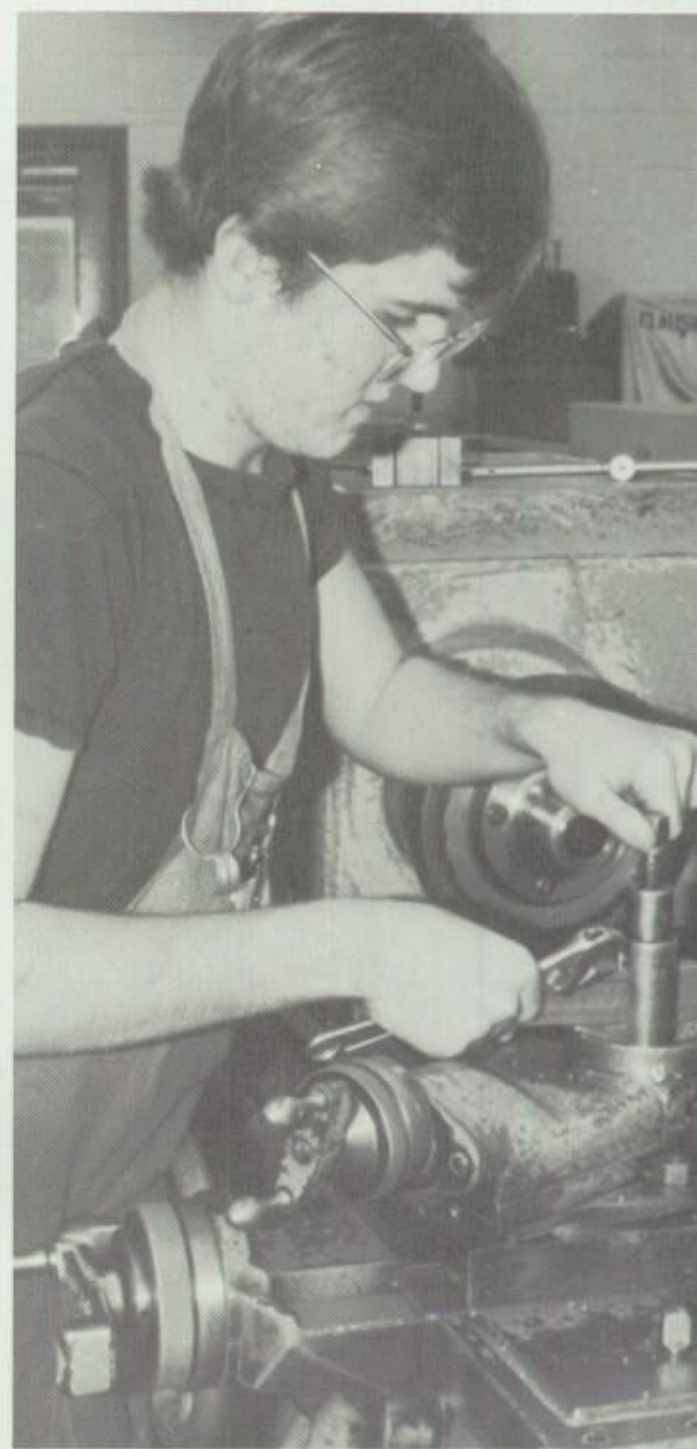

Students not only learn a life-long skill, but also have extra activities. Donut sales were held to raise funds, and students participated in the Skills Olympics held in February. A student's skill is tested in competition by diagnosing and correcting an engine problem.

Machine Shop

The Machine Trades program is of a two year duration with emphasis placed upon the training of our young people for a future job in industry. This training consists of the actual hands-on experience of running the types of equipment that are found in the machine shops of this area. Along with this, the students spend time in the classroom learning the varied and complex information categories that go along with their shop training.

Students and teachers were occasionally found on a field trip to one of the many machine shops in the area. This allows them to see and compare firsthand with the knowledge that they have learned.

D.C.T.

"Get interested in a Skilled Trade — Join DCT (Diversified Co-Op Training)." This is the slogan for the senior program in which students attend school in the morning and work in a skilled or semiskilled occupation during the afternoon. School credit is earned for their on-the-job training.

O.W.E.

Occupational Work Experience is a cooperative undertaking in which the school and local business and industries work together. Training includes on-the-job instruction by the employers and related instruction by the school. This year's class took a field trip to Hocking Tech, enjoyed monthly breakfasts together, and received career guidance from community resource people.

FFA

The Lancaster Chapter of FFA began a busy year with a chicken barbeque and held Halloween and Christmas parties at the P & R Party Barn. Pete Tooill was top salesman in the annual fruit sale, selling 144 cases of the 1700 total. The Chapter was involved in several judging contests, as well as a speaking contest in January with three contestants: Bonnie Williams, Curtis Cupp, and Jeff Siska (1st place winner in extemporaneous). Officers for this year were Jeff Siska — Pres.; Connie Beatty — V. Pres.; Doug Martin — Treas.; Maggi Moore — Sec.; Jim

C.O.E.

Cooperative Office Education is a program designed for seniors. The students learn office related information at school and also receive on the job training in the office where they are employed.

The 1980-81 COE class had several fund raisers which paid for some of their social activities. In May the students had a banquet at R. J. Pitchers Inn to show their appreciation toward their employers. In February eight students participated in BOE (Business Office Education) regional contest in which Jackie Yantes placed 3rd in accounting.

Clerk-Steno I-II

Clerk-Steno is a two year program to teach the basic skills of shorthand, typing, filing, record-keeping, math and Business English in relation to secretarial skills.

The enthusiastic Juniors began the year with a mug sale as a fund raiser for a trip to Ohio Village. As a contribution to the community many members of the class volunteered at the Red Cross to perform general office tasks.

The Senior class sold M&M's for a spring canoe trip. They had a full-time volunteer working at the Mental Health Clinic as well as other on-the-job workers.

Account Clerk

I-II

Money raised by the Acct. Clerk 1 class this year was contributed to Children's Hospital and the Maywood Mission. Students held a Halloween Party and in March, games parties. Lorianne Johnson competed at the State OOE in March in Extemporaneous Verbal Communications 1.

The seniors visited Heimberger Office Machines and the new Office Mart to view new products. They also enjoyed a Christmas luncheon at Root's, breakfast at Bob Evans, and an end of the school luncheon at R. J. Pitcher's.

Clerk-Typist I-II

Clerk-Typist is a two year program designed to teach the basic skills of typing, accounting, and filing. Students sold candy bars and had a bake sale to finance attendance at the Regional Conference at Beulah Park and the State Conference which was held at Vets Memorial. The classes also enrolled in the Region 14 Contest in Grove City with many of the members placing first, second, or third.

Faculty Inside and Out

LHS has been able to offer an outstanding academic and extra-curricular program through the dedication and talents of the faculty members. Students sometimes only become familiar with one side of the teachers in the classroom situation. However, each has a variety of interests outside his subject area.

Chaperoning a dance can be fun as Mrs. Ricketts and Miss Coffelt join in the fun at the Bluegrass Dance.

the outdoors, nature, the quiet life all appeal to **Mr. Dennis Croft**, seen here checking the work of Bill Chaffins in his Accounting class. For a number of years Mr. Croft lived in a cabin outside of Lancaster but has now purchased a farm with a house built in 1846. He will spend some of his free time finishing the house when he isn't gardening or fishing. Mr. Croft is the treasurer of the Lan-Fair Credit Union and is a CPA. He knows of no one "would enjoy more than teaching."

"Art, the theater, and music show the creativity of someone," comments **Mr. Tom Crumley** who displays his creativity in at least two of these areas. He sings, plays, and writes music and has performed in dinner clubs. His work with the LHS drama productions this year was an enjoyable experience. In addition, Mr. Crumley is an instructor at the Barbizon School of Modeling where he helps with benefit shows.

Excitement, adventure, the unusual — all these describe the hobbies and activities of **Mrs. Martha Beidler**. Backpacking, canoeing and camping near the Boundary Waters, cross-country skiing in the company of her Irish Wolfhound, Cormac, and working with the distance runners as Ass't Girls Track coach keep her busy year round. Mrs. Beidler's love of adventure and travel took her to Egypt for three years as a teacher in a Girls School. During this time she traveled by river steamer up the Nile, climbed part way up Mt. Kilimanjaro, and went on a camel trip into the desert. Other trips include biking and camping in the British Isles as well as several trips to France. Mrs. Beidler's great love of the outdoors is exceeded only by her respect and concern for the preservation of the environment.

1. Most of **Miss Karen George's** free time is spent practicing what she teaches. The volleyball coach is a seasonal athlete who enjoys racquetball, skiing, tennis, golf, swimming, surf fishing in No. Carolina, and whitewater rafting. She spent three summers as a camp counselor traveling with teenagers through the western U.S., Canada, and Mexico.

Miss George feels the phys. ed. program at LHS has something of interest to everyone with many sports geared toward lifetime activities.

2. At the beginning of the school year the library underwent some drastic changes. A \$10,000 security system was installed to prevent the loss of approximately 1500 books per year. The system seems to be working, for it has cut losses 65%.

All library materials have a microfiche tag in them which sets off an alarm if not passed around the device. **Mr. John Albert** is shown inserting tags into the books — a laborious task taking several weeks to complete last fall.

A unique asset to L.H.S., Peter's Planetarium, is available for public viewing. Throughout the year, many shows are given twice a month on Sunday afternoons and occasionally special shows on current astronomical topics. Also many grade schools pay visits yearly to get acquainted with the planetarium and its various devices.

Under the direction of Roger Grossenbacher, two classes are offered which are held in the planetarium, Introduction to Astronomy for a semester only and an all year Astronomy class which is more advanced and in depth in the subjects covered.

Yearly programs are produced by students, this year's being "Name That Planet" which also may be viewed by the public and student body.

Although he instructs metals at LHS, **Mr. Robert Poling** spends much of his free time in his home workshop creating furniture and clocks. His inspiration for Colonial designs comes from trips to historical points of interest such as Williamsburg. He is also a self-employed contractor and has recently developed an interest in blacksmithing — not to shoe horses but rather everyday items, such as fireplace tools. Mr. Poling feels a challenge in teaching metals and has done so for 22 years now. In the photo Troy Aucreman is at the grinder under the watchful eye of the instructor.

Behind the quick smile and polite attitude lurks an imp. **Margie Moody**, Co-Valedictorian of the Class of 1981, is always ready to have fun and may be the first to initiate a harmless joke. (Mr. Dill suffered through many of them.) She plans to study Chemical Engineering under Kilbarger and OU Freshman scholarships. Active in the Spanish Club and church youth group, Margie enjoys camping with her family throughout the summer. She will miss most her friends at LHS.

Being Salutatorian this year was a great honor for **Pete Mahon**, who was extremely happy he didn't have to give a speech. Having received an appointment to the U.S. Air Force Academy, Pete is interested in entering the field of aerospace and electronic engineering. He feels the U.S. space program does have a great future and expresses confidence in the space shuttle. Describing himself as "average," Pete enjoys building models and rockets.

Co-Valedictorian **Tim Kozar** is described as quiet — a real straight-shooter. Ask him a question and you will receive a direct answer. What will he miss about LHS? "Absolutely nothing." Tim's parents encouraged him in his studies but never pressured him. In the fall he will attend John Carroll University to major in marketing with the intention of "getting a good job and having a comfortable living." Tim relaxes by golf and electronic music. His commencement speech will long be remembered by his classmates.

National Merit Scholarship finalist **Jeanne Crook** will be attending Ohio State University majoring in Fashion Management and Merchandising. Jeanne has received much support from her parents. "They didn't pressure me to get a job and do housework and were very understanding in letting me study a lot." She enjoys sewing, drawing, biking — and the 3 R's — reading, riding, and the Rolling Stones. "Nothing you learn in high school will be of any use if you can't get along with people."

A C H I E V E R S

The 1981 *Mirage* congratulates those students who have been recognized for outstanding achievements in an area of interest. We feel they will make positive contributions to family, friends, and community.

Out of some 9000 high school entries, 250 were selected for the Governor's Art Exhibit at the State Office Tower in Columbus. A pin made of silver, brass, and plexiglass set in polyester resin was the work of **Sherry Funkhouser**, one of two LHS students to have works chosen. She credits Miss Coffelt with strong support for her work. Sherry hopes to continue her interest in art after graduation for this "achievement is only the beginning. I want to keep reaching for higher goals," Sherry says. She enjoys skiing in the winter and the summer sun.

Junior **Brian Cunningham's** Paper Relief Sculpture was also an entry in the Governor's Art Exhibit. Always having enjoyed art, Brian will be studying Commercial Art his Senior year and is looking towards a future in Advertising and Design. Describing himself as a "big goof-off," Brian enjoys racquetball and swimming. He is employed in the dietary department of the hospital and enjoys the people he works with. "Art has given me confidence in myself."

DECA student **Scott Whitmer** competed on the state level in Public Speaking. He feels the Distributive Education program has helped him prepare not only for the working world, but also for everyday living. Scott will join the Army after graduation to enter the field of Military Police. His spare time is spent in archery and the self-defense tactics of Karate, Judo, Akita, and Ticuanda. "Don't try to rush. Take your time and do it right," Scott suggests.

Placing first in the State for Electronics, **Eric Jackson** was one of three out of 147 to pass the FCC test for the second class license. He is the first out of a high school program to achieve this according to his Sr. Electronics instructor, Mr. Smith. His plans include future study and working on radios and TV's. Described as quiet and modest, Eric displays leadership by example, relaxes by playing the guitar, and will miss most the FOOD of LHS.

Studying computer programming at Ohio State will be a continuation for **Steve Poling** of his high school interest. Steve placed first in a Computer Programming Contest on the LHS "A Team." The contest involved writing the program and running it correctly in the shortest time. Steve completed his in only one-half hour while the second place winner took over one hour. A very good independent worker, Steve has had 3 semesters of computers and owns one. Fishing and hunting are two of his interests as well as chess.

Steve Shaver, Bill Danison, and John Watson were delegates to the 1981 Buckeye Boys' State.

"Students can benefit greatly from COE and the other vocational programs at LHS," states **Jackie Yantes** who has had excellent performance on her job at Karshner Sales. Serving as a secretary and bookkeeper Jackie plans to pursue her interest in the business world by studying accounting at OU-L under a Halbarger Scholarship with the intention of becoming a CPA. Tennis, the outdoors, and reading are favorite pastimes of this senior.

Patience and a love of people are two characteristics of Junior **Bridget Rogers** who has been an outstanding leader in F.H.A., serving as president this year. Her team demonstration on toy safety for children placed first in the State meet for F.H.A. Enjoying meeting and working with different people, Bridget has had the opportunity to travel this year as a State Officer for Rainbow Girls. Bridget's babysitting experience and love of children will be helpful in her chosen career of elementary teacher.

For the celebration of Planetarium Week Juniors **Kevin Rhymer** and **Paul Pillar** developed a show for the public — "Tour of the Fall Skies." Two months were spent in preparation for the presentation which showed major constellations, novas, and nebulae. The musical selections that accompanied the slides were from *Star Trek the Motion Picture*. Very few students have ever developed a public show and this one played to a standing room only crowd. In their spare time Kevin works with models and motorcycles, and Paul enjoys flying and is in the Air Patrol. Both are members of Key Club and plan to pursue careers in science.

Delegates to Buckeye Girls' State this year were **Susan Spires, Kris Kuechler, Amy Sugimoto, Elizabeth Clem, and Kathy Kern**. Not Pictured: **Holly Miller**.

Placing 4th in the state out of 30 participants on the Robert Horton Math Contest was Senior **Dana Carroll**. Encouraged by Mr. Manuel to take the test, Dana will continue his study of math at college in the Air Force. He became interested in computers while watching some friends and thus decided to teach himself computer programming. Described as very insightful and quick to grasp math concepts, Dana enjoys chess and football.

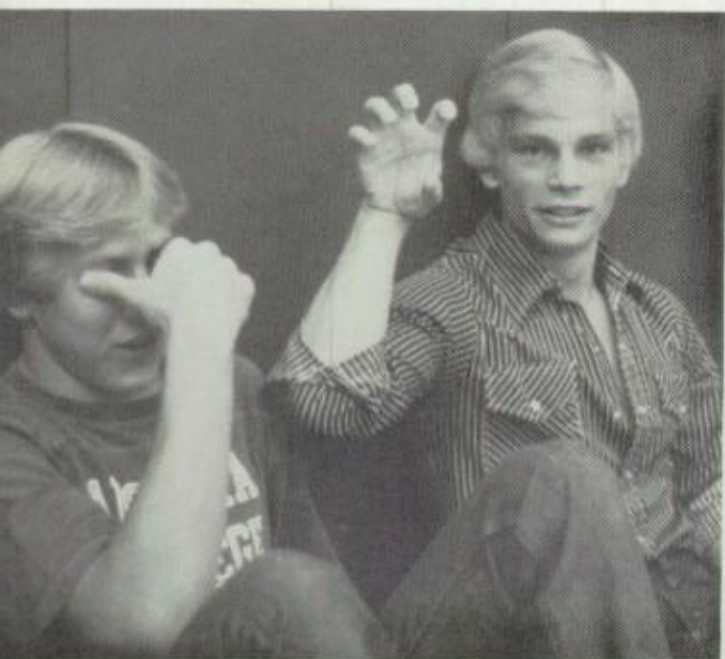

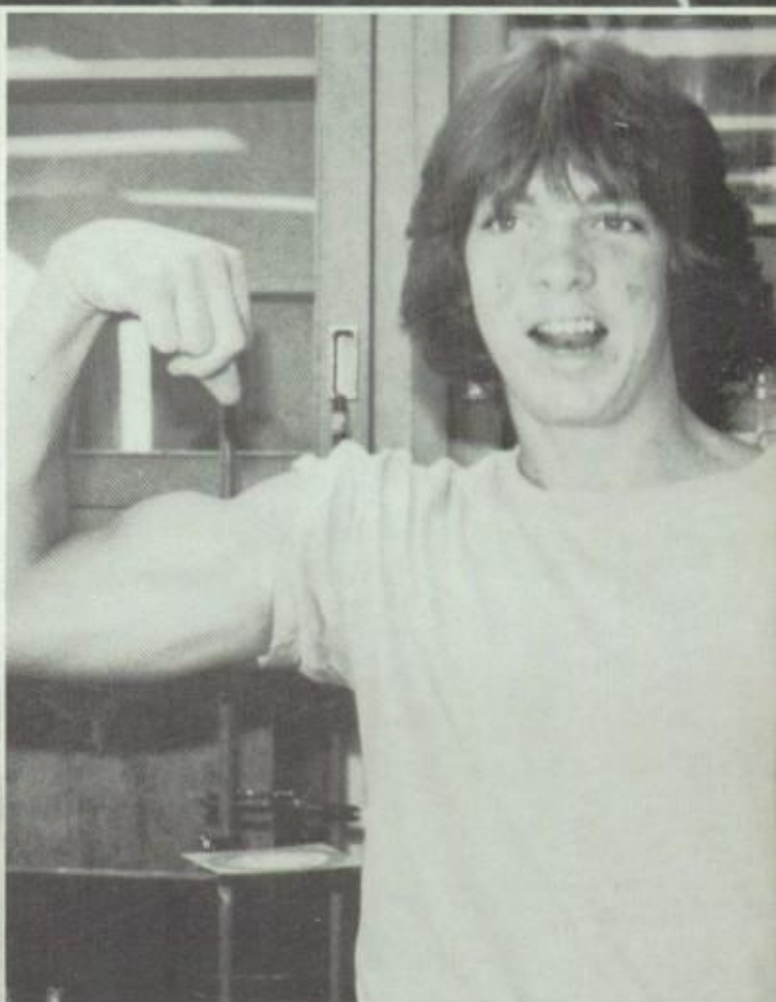

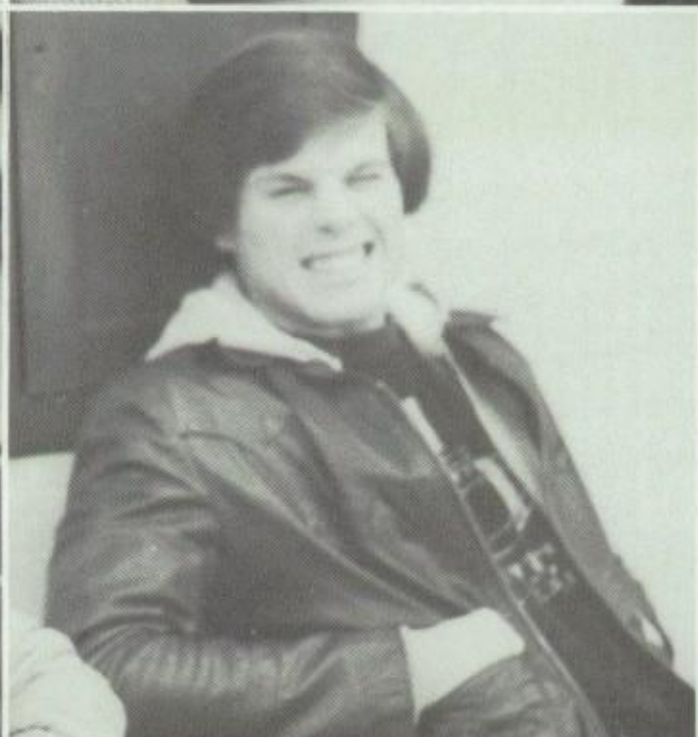

The 1980-81 Outstanding FFA member and first place winner in the District Extemporaneous Speaking Contest was **Jeff Siska**. The proud owner of some 125,000 baseball cards, he raises goats for market and will be attending the Reppert School of Auctioneering in Decatur, Ind., this summer. "My parents have backed my decisions but have let me be independent," Jeff reflects. "If a person really tries but can't succeed, that's okay with me. Keep trying and set new goals each day."

Crazy

THOSE CRAZY SENIORS

"Our class has really been involved this year," said Alan Cork, Senior class president. The class of 1981 has had a very active and successful year. Funds from the car wash held early in the fall contributed to their float, "Pound the Hounds," that placed second in the Homecoming parade. The annual Spaghetti Dinner was also a great success and a lot of fun for all who helped. Red bows and a 12 ft. Christmas tree brightened Senior court at Christmas ... establishing a new tradition at L.H.S. The aroma of freshly baked

rolls filled the halls late in March as over 24,000 dozen rolls were unloaded into the gym to be delivered by the Seniors. The funds from the roll sale were used to celebrate at the Sr. all-night party held at the Y.M.C.A. after graduation. With the approach of Spring many anxious Srs. began planning for the Sr. prom. "Southern Nights" was the theme and a band named The Alligators provided the music. Throughout high school the class of 1981 has shown great leadership and much potential for individual success.

Juniors

The Junior Class, led by Steve Shaver, started the year working on the Homecoming float, "Expecting a Victory." Missy Warner was the Junior Attendant for Homecoming Queen, and in November the class of '82 held a successful magazine sale with Doug Peterseim being top salesman. Money from the sale was used for the Junior Prom, "We've Got Tonight," held May 2.

Sophomores

This school year was a success for the class of 1983. They showed their abilities in October by winning the Homecoming float contest with the theme "Skunk the Hounds." About a month later they decided to raise some money for their upcoming Sophomore dance by selling decorator candles. Hoping to raise around \$300-\$400, the Sophomores did it again and raised well over \$1500. The February dance was one of the most extravagant with a live band and hundreds of dollars worth of decorations. The officers all agreed that the credit for helping achieve success and their "go-for-it" attitude goes to their worthy advisor Mr. Buskirk.

Hill's Fabrics and Sewing Machines

Do you need fabric, notions, or arts and crafts supplies? Would you like to buy a sewing machine or perhaps you would like to learn to sew? If so, take a hint from Senior Renee DeWees and go to Hill's Fabrics and Sewing Machines, 1191 North Memorial Drive; one of Ohio's most complete fabric, sewing machine and yarn centers.

A variety of styles are available at Wyman's, the formal wear specialist. Included in their selection are the designs of After Six, Lord West and Palm Beach. Tim Edwards tries to make up his mind for the Senior Prom. At Wyman's all formal wear is fine tailored and comfortable. So, guys, when it comes time for that formal evening out, don't forget Wyman's Tux Shop — 653-0712 — Memorial Drive at North Street.

...from the bank in a class
by itself.

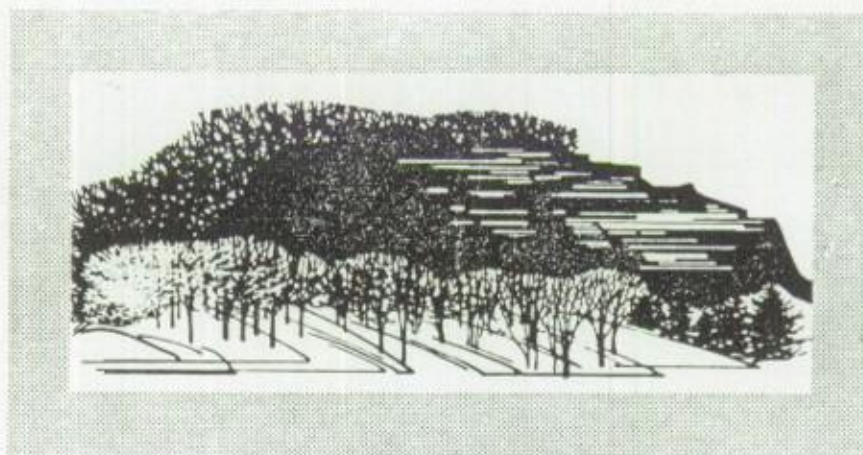

Whether your future plans include college, marriage, a career or a business of your own, it will take money to make those plans pan out.

For now and the years ahead, we invite you to make Lancaster National Bank your own personal financial planning center.

What sets us apart is that we're the only locally owned, locally managed bank in Lancaster. All the others are controlled by large organizations in other cities.

Whatever your plans, come share them with the bank that's in a class by itself.

We want to be part of your future.
